

# Guide to Results

## Advanced Skills Baccalaureate Wales

This document provides an overview of results for **the projects**. It gives details on what to expect on results day, the documentation you will receive, information on grade boundaries and where additional advice and guidance can be found.

# 1. Results day

## i) Collecting exam results

Candidates must receive their examination results from their centre, usually on the published results day.

For the June 2024 series, the publication of results day is from 8:00 am on **Thursday 15 August 2024**.

WJEC is unable to provide or discuss results over the telephone or via email communication with candidates or parents, even if the school or college is closed. Candidates should therefore check with their school or college when and where results will be available for collection and how and with whom they can discuss any issues or concerns.

Results must not be divulged to others including local authorities and the media until after 9.30am on the relevant results day.

## ii) What to expect

On results day, candidates normally receive a result slip showing their results.

At this point, results are designated as provisional; changes may be made at a later point, for example, following a Review of Moderation.

## iii) How are results displayed on a result slip

Results slips will show candidate results for each project taken within that examination series.

Results slips will display a uniform mark (UMS) and a grade for each project.

## iv) Symbols used on a result slip

In addition to grades and marks, results slips may also contain other symbols:

X i

---

The Uniform marks (UMS) correspond to Project grades as follows:

Project Weightings	Maximum Raw Mark	Maximum Uniform Mark	Project UMS				
			a	b	c	d	e
Global Community Project (25%)	72	90	72	63	54	45	36
Future Destinations Project (25%)	72	90	72	63	54	45	36
Individual Project (50%)	96	180	144	126	108	90	72

The qualification is based on the total UMS achieved across the Projects.

	Maximum Raw Mark	Maximum Uniform Mark	Qualification UMS					
			A*	A	B	C	D	E
Advanced Skills Baccalaureate Wales	240	360	324	288	252	216	180	144

You can access unit grade boundaries and raw mark to UMS information in our Grade converter [here](#) (information available from publication of results day).

#### 4. What to do if a candidate wants to query a result

It is important that candidates discuss any concerns with their school or college, usually an Exams Officer or teacher, and decide on the best options available.

If it is considered that there may have been an error, an application can be made by the centre for:

∅ Post-results review of moderation – please note this is not available for individual candidates.

Applications cannot be submitted by internal candidates or parents. Private candidates are encouraged to seek advice and apply through their entering centre but may apply directly by emailing our Post Results Service [prs@wjec.co.uk](mailto:prs@wjec.co.uk) stating the candidate name, candidate number, centre name and number in any correspondence.

For further details, please visit our [Post-Results Services](#) page and the information published by JCQ on [Post-Results Services](#) procedures.

Candidate consent is not required for a review of moderation as the original grade will not be lowered. However, candidates and centres should be aware that a lowered mark would be carried forward to future certification
